BOOK SYNOPSIS

Written within a bio-psychosocial framework, Cavanaugh and Blanchard-Fields' best-selling text covers the specific ages-stages of adult development and aging. In its unparalleled coverage of current research and theory, the authors draw clear connections between research and application. The book's focus on positive aging and the gains and losses people experience across adulthood distinguish it from its competitors. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
