## BOOK SYNOPSIS

Prepare your students for the NBCOT COTA exam with a review guide that has been highly recommended by educators and by students who have passed the exam! 1,000 review questions in five practice examinations help identify areas of weakness and improve test-taking performance. The questions familiarize students with the format of the questions in the actual examination. "Excellent format and effective rationale for each item answers. Graduates have recommended this textbook strongly as a reliable resource to study for the certification exam. Keep up the good work!" -- Saritza Guzman-Sardina, OTA Program, Polk Community College, Winter Haven, Florida
