BOOK SYNOPSIS

The classic text originated by Terry Jordan remains a bestselling classroom favorite, continually offering students a cohesive framework for exploring both the defining core topics of human geography and the most important, emerging issues in the field. In the new edition, authors Mona Domosh, Roderick Neumann, and Patricia Price offer their take on Terry Jordans unique approach, organizing each chapter around five essential themes: • Region • Mobility • Globalization • Nature-Culture • Cultural Landscape Within this thematic approach, the new edition offers fully updated coverage, new features and pedagogy, and new media options.
