BOOK SYNOPSIS

Suzy's a control freak and has her life mapped out - work hard, find a man with a stable job, and live happily ever after. She's content with the status quo, but her plan comes to a screeching halt when he enters her life and turns it upside down. City gave up on love when his heart was crushed in college, preferring to be the typical bachelor. He spends his nights hopping from one bed to another and his days working at his family tattoo shop, Inked. A chance encounter on a dark road makes him question what he had sworn off forever - a relationship. A night of passion and lust causes them to question everything.
