BOOK SYNOPSIS

When a man loves a woman Recovering addict Nick Dorsey finds solace in his regimented life. That is until he meets Shyla Metha. Something about the shy Indian beauty who delivers take-out to his Greenwich Village loft inspires the reclusive writer. And when Shyla reveals her desire to write a book of her own, he agrees to help her. The tale of a young Indian girl growing up against a landscape of brutal choices isn't Nick's usual territory, but something about the story, and the beautiful storyteller, draws him in deep. Shyla is drawn to Nick, but she never imagines falling for him. Like Nick, Shyla hails from a village, too...a rural village in India. They have nothing in common, yet he makes her feel alive for the first time in her life. She is not ready for their journey to end, but the plans she's made cannot be broken...not even by him. Can they find a way to rewrite the next chapter?

UNWANTED GIRL - Are you looking for Ebook Unwanted Girl? You will be glad to know that right now Unwanted Girl is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
